Saturday April 11, 2015

The Sanctuary,
St Andrew's Church,
425 Centre St.,
Prescott

Admission
Free

**Sex, adultery, betrayal,
divorce - right in your
own backyard !!!"**

Why do birds have such glorious songs and such vibrant plumage? How do they choose their mates and care for their young? Do they have multiple sexual partners – and if so, how do they accomplish that, and how do their mates react? Why do they treat male and female offspring differently?

Music to inspire by
the duo Harpeggia
with Harp and
Guitar
